

## NetTeller Internet Banking Application Form

I (We) would like the First National Bank of Jasper, Texas to establish the following person(s) as an internet banking user for the indicated account(s). I (We) understand that internet access must be carefully guarded and controlled. Security features such as passwords and ID's must be carefully safeguarded to insure that no unauthorized access or transactions can occur. I (We) understand that my (our) failure to safeguard passwords and ID's can result in transactions for which I (we) will be held liable. I (We) also understand the increase importance of reviewing my (our) bank statements and notices as soon as they are received.
